I am good with teamwork and I'm creative .

## LANGUAGES

English

Swahili

**New look for the Johannesburg Children's home Charity shop** — *I was part of Mrs Sue's group that helped with Changing the look of the charity shop and making it attract more customers and increase sales, by helping with moving items around, pricing the best clothing out of the stock and placing them in the shop. I volunteered and helped with maintaining the changes by pricing new items in the categories where items are missing. The items I priced on a daily or regular basis were Bric-a-brac, toys, Clothing, Beddings, shoes. We also replaced cookies, Jam and sweets.*
